# Event Programme

08:30 **Weds 30th March,**  
Registration, tea/coffee, exhibition, posters, networking.

- 09:10 **Welcome from Cllr Paul Tilsley**  
Deputy Leader, Birmingham City Council.  
**'International Progress' Chair, Kevin Kendall.**  
Professor of Formulation Engineering, University of Birmingham,
- 09:15 **Peter Podesser**  
Director, SFC, Germany 'Fuel cells attractive to consumers in Europe and USA'
- 09:35 **Ben Madden**  
Director, Element Energy, UK 'Hydrogen fuel cell vehicles in Europe'
- 09:55 **Nigel Brandon**  
Prof. & Director, Energy Futures, Imperial College, UK 'The role of fuel cell technology in a low carbon energy system'
- 10:15 **Bert de Calvenaer**  
Head of JTI Programme Office, Belgium 'JTI success and future funding'
- 10:35 **Aaron Crumm**  
Chief Visionary Officer, AMI, USA 'SOFC powerpacks running on propane in USA'
- 10:55 **Chair Q&A**
- 11:00 **Tea/Coffee, exhibition, posters, networking**
- 11:30 **'Hydrogen Research, Development & Demonstration' Chair, John Turner.** Managing Director, Valeswood ETD Ltd
- 11:35 **Ian Williamson**  
Hydrogen and Bio Energy Systems Director, Air Products, UK 'US and UK hydrogen supply Infrastructure'
- 11:45 **Masahiro Watanabe**  
Prof, Clean Energy Research Centre, Yamaguchi University, Japan  
'Recent advances in electro catalysts for PEMFCs'
- 12:05 **Andrew Haslett**  
Director of Strategy Development ETI, UK 'The Role of Hydrogen in Future UK Energy Systems'
- 12:20 **Norberto Fueyo**  
UNIZAR, Spain 'Renewable Energy:- costs and impacts'
- 12:35 **Jeremy Harrison**  
Innovation Consultant, E.ON Engineering, UK 'Fuel Cells for CHP operating in a decarbonised grid'
- 12:50 **Bruno Pollet**  
Head of PEMFC Research, University of Birmingham, UK 'Advances in Midlands Hydrogen Vehicles'
- 13:00 **Lunch, exhibition, posters, networking**
- 14:00 **International Partnering** (parallel event 14.00- 17.00)  
Poster session from Academic Institutions
- 14:00 **Workshops in parallel**  
1) Biomass to hydrogen: led by Prof Andreas Hornung, Aston University  
2) Hydrogen vehicles: led by Dr Aman Dhir, University of Birmingham  
3) Hydrogen from Carbon Capture: led by Prof Colin Snape, Nottingham University  
4) The UK Industry Grouping: led by Dennis Hayter, UK Hydrogen and Fuel Cell Association
- 15:15 **Tea/Coffee**
- 15:40 **Chair, Dennis Hayter**  
Vice President, Business Development at Intelligent Energy Ltd
- 15:45 **Chris Rogers**  
Consultant, 'The UK Energy consumer in 2050'
- 16:00 **Steve Perham**  
CEO, Airmax Group, 'Smart transport possibilities including hydrogen'
- 16:15 **Alastair Rennie**  
Project Director- Renewables, Amec, 'Fuel cell CHP using PEMFCs'
- 16:30 **Jack Frost**  
Director, Johnson Matthey Fuel Cells, 'Progress at Johnson Matthey'
- 16:45 **Chair, Q&A**
- 17:00 **3rd Annual Awards Reception** (British Midlands Hydrogen Forum)

# Registration

Mr/Ms/Dr/Prof \_\_\_\_\_

1st Name \_\_\_\_\_

Surname \_\_\_\_\_

Job Title \_\_\_\_\_

Org/Co \_\_\_\_\_

Email \_\_\_\_\_

Tel No \_\_\_\_\_

I wish to register for the conference.

Please send invoice (Full/Reduced)

Payment Attached

## Conference Rates + VAT @ 20%

Delegates: £125 - INC VAT: £150

Students: £60 - INC VAT: £72

## Exhibition rates

SMEs/academia: £200 - INC VAT: £240

Larger organisations: £1,000 - INC VAT: £1,200

Sponsorship Opportunities

Cheque (payable to Climate Change Solutions Ltd)

BACS

World Pay (credit card, online)

Participation fee includes admission to the conference sessions, lunch and refreshments during breaks and reception & exhibition

## BACS transfer details

Cheques payable	Climate Change Solutions Ltd
Account No	65114588
Sort Code	08-92-99
Bank	The Co-operative Bank PO Box 250, Skelmersdale WN8 6WT
IBAN	GB74 CPBK 0892 9965 1145 88
BIC	CPBK GB22

## Please Register me for

14.00 - 17.00 Parallel International Partnering

14.00 - 15.30 Workshop 1

14.00 - 15.30 Workshop 2

14.00 - 15.30 Workshop 3

14.00 - 15.30 Workshop 4

## Climate Change Solutions Ltd

Tony McNally - Managing Director
